#### **Notes from Our LAOH President Natalie Peterinelli**

Hope you all had a lucky and blessed St. Patrick's Day. Thank you to those who braved the cold weather to attend the parade. To those that were unable to attend, I know you were with us in spirit. It was wonderful being able to spend the holiday with you all. The Mass and luncheon were a great success. It has been another great Green Season. I'm looking forward to continuing to live up to our motto of Friendship, Unity, and Christian Charity.

Three of our very finest LAOH Members marched in the parade on March 12, 2022. It was 20 degrees, windy and snowing but Natalie Peterinelli, Claire Haysley, and Rebecca Abel-Kennedy braved the weather and represented the LAOH.

**The Cincinnati St. Patrick's Parade NEVER cancels for the weather! The parade is held rain, snow, or shine!!**

### Columban Fathers and Sisters

Recently the National Missions and Charities officer, Cathy Turck, held a webinar with Director Fr. Chris Saez and Sr. Corona of the Columban Fathers and Sisters and the impact of the donations from the LAOH. We as a division raise funds for the missionaries through the mission raffle and upcoming white elephant raffle. I wanted to give a brief history and refresher on the works of the missionaries across the globe.

The Columban Fathers has been the principal charity of the LAOH since 1935, and then the Columban Sisters were added in 2006. Today, the Missionary Society of St. Columban (also known as the Columban Fathers) is comprised of nearly 700 Columban missionaries, including priests, seminarians, and lay missionaries. The Columban Fathers are presently serving in 14 countries. These missionaries continue to direct their focus on matters of justice, peace, environment, world international debt and authentic enculturation of the gospel to world culture and religion.

The Columban Sisters are a part of the Missionary Society of St. Columban but have a separate organizational structure from the Columban Fathers. Presently the Columban Sisters are serving in 12 countries on four continents. These missionaries continue to provide service in the areas of pastoral outreach, education, medical, faith formation, spirituality, and social service.
