

Ladies Ancient Order of Hibernians Pennsylvania

2022 Edition IV

A Word from Maria, our President...

Hello Ladies,

Time is flying for me. It is already October!!! Hard to believe.

I would like to start with a huge shout-out to the Allegheny County Divisions.

Last July, the team put together a fantastic AOH/LAOH National Convention at the Wyndham Grand Hotel in Pittsburgh. Your hard work sure paid off as I heard so many compliments about how wonderful everything was. Thank you so much to all.

I saw many beautiful pictures from the Our Lady of Knock Masses in August. I loved seeing them all. Divisions all seem to be back in the swing of fundraising and having events. Maura has been doing a great job putting them all together for us to see.

Keep doing what you are doing, Ladies. I'm so proud of our Pennsylvania Counties and Divisions! It shows in all the charity work you do for the less fortunate and in living our motto of Friendship, Unity, and Christian Charity.

The committee in Johnstown is working very hard to raise funds and plan events for our upcoming AOH/LAOH PA State Convention starting July 19 – July 22, 2023. Keep watching for more details.

I am always available for any questions you may have, so feel free to contact me.

Also, please keep our Sisters in your prayers since we have many dealing with the passing of loved ones and health issues.

In Our Motto of Friendship, Unity and Christian Charity

Respectfully submitted,
Maria

Congratulations!

Ladies,

A few weeks back, the Irish Edition interviewed our state President, Maria Gallagher, regarding the National Convention. We here in Pennsylvania are blessed to have a President that represents us in such a positive manner.

MARIA GALLAGHER PALAOH STATE PRESIDENT

BY KATHARINE GILBERT

Conventions are meet and greet and network gatherings. Did the AOH / LAOH have a similar theme or were there some surprises?

Our conventions are a little of both. For the ladies the convention starts at the beginning of the week for anyone who wants to come out and volunteer in the St. Brigid Charity Project which this year was to help two charities.

Center for Victims of Domestic Violence and/ or The Red Door Kitchen for homeless women. Both with women supporting women. It was an eye opening experience for us.

The meeting started on Thursday with a full agenda that went through to Saturday. In the evenings, events are planned for both men and women starting with the Icebreaker with food, drinks, music and time for catching up with other Hibernian friends from around the U.S.

These events could definitely be called our meet and greet networking gathering for the AOH and LAOH. All went off without a hitch with no surprises. Our Pittsburgh hosts did an amazing job with all events.

For LAOH members, was there a separate program or do both...AOH and LAOH have the same program offerings at the Convention?

The AOH and LAOH each have separate meetings. We come together only once for a brief joint meeting. The work of the order is similar but not everything we do is discussed outside our meetings and the same for the men.

Did LAOH members participate in discussions regarding AOH women membership with AOH members or separately among LAOH members?

The Ladies did not have any discussions pertaining to the vote that was to be taken by the AOH allowing women to join the men's organization. Since this was not part of our agenda and pertained to the men, there was no need for us to discuss.

Is it too early to come to a consensus or organizational point of view regarding women joining AOH or has the LAOH taken a position?

As I explained in our conversation before the convention, I did not feel it would be proper to discuss something that had not happened. I wanted to wait and see what the vote would be when it reached the floor, but I can tell you now what my feelings have been since this issue came up last year at the PA State Convention in Philadelphia.

Although it was coming across as a MERG-ER, it was certainly not a MERGER. After reading information sent out to the men, it became apparent that what was being proposed was to change the AOH charter to allow women all rights and privileges of AOH men.

The comparison was being made to other organizations where men and women are equal members such as the Elks.

So let's step back for some history and I promise to keep it brief. The Ladies started out in 1894 as The Daughters of Erin and quickly grew along with a name change to the Ladies Auxiliary, Ancient Order of Hibernians (LAAOH), in 2004, the organization became INC hence why we are now the Ladies Ancient Order of Hibernians Inc.

I say all this because there is over 125 years of history to our organization, so to suggest that by allowing women to join the men puts them in the same category as the Elks—I beg to differ and by allowing women to join the AOH it makes our history and years of good works seem minimal.

We are a strongly established women's organization of practicing Catholics who

are Irish or of Irish descent through either by parents or adoption or wife or mother of an AOH member, and/or mother of a Jr. Division member. To have a proposal drawn up to make changes to their charter from the 1800 — without giving more thought to the backlash or ramifications — seems like a big undertaking that would cause a separation among the groups of men and women Hibernians who work so well together.

After the vote was taken in Pittsburgh on Saturday, the consensus of the men in attendance was to leave things the way they are and not accept women.

I had no doubt that the men in our State, Counties and Divisions agreed to not accept the proposal and to continue to work with their counterparts in the LAOH.

We appreciate having that working relationship and personally I thank them all for not allowing this to pass at this time.

Overall, were you pleased with the results of the Convention and on a final note, has LAOH been asked to participate in Irish Government plans to encourage Americans to retire in Ireland?

I am truly pleased with the outcome of the National Convention held in Pennsylvania and for all the hard work of the mem_T bers from Pittsburgh who hosted a fabulous convention at the Wyndham Grand Hotel. As for your last question, LAOH has not been involved up to this point. We hope to work closer with AOH on immigration issues in the future.

Pennsylvania Proud!!!

Congratulations!

Pennsylvania State Convention PA State Convention July 20th to 22nd 2023 ~ Johnstown, PA

The 2023 Johnstown Convention Committee is very happy to share with you the logo we have chosen for next year's convention. The major theme and overall focus of our work is providing "The Johnstown Experience" to all who visit us during the Convention.

With that in mind, the premier attraction in Johnstown is the Inclined Plane.

The world's steepest vehicular incline. To ride on it, and experience the views of the city and valley below as you "Rise Up" the mountainside, is breathtaking.

In August our local Division, held our annual Our Lady of Knock Mass at St John Gaulbert Cathedral. We wanted to share with you some of the pictures, given our Convention Mass and Installation will take place here.

To our delight, Fr. Matt surprised us with the beautiful green drapes framing the altar - an incredible sight.

The Cathedral looks stunning.

We cannot wait to fill the place next July - it will be glorious. But please note the church is MUCH more expansive than a couple of the long-view pictures indicate.

We will let you know when the

In September, we hosted our first official Convention fundraiser. A good time was had by all! We thank everyone for the support!

Division # 1 ~ Chester

With a slow start to spring, we were happy to have a lovely June lunch meeting at Nancy's (our VP) house. It was a beautiful day and we met and ate on her patio. All members who were able to come provided the food for the lunch. We were having so much fun I forgot to take pictures, sorry.

At that meeting, we decided to make money donations to three charities: Mom's House, which provides day care for single parents going to school, as well as counseling, St. Mary's Family Shelter and The Day Room at St. Agnes, which provides hot meals and much more for those in need.

In July, we had our joint mass and picnic with the AOH at a lovely country church in Chester County.

St. Malichi was built in 1838 by Irish emigrants and with its country setting it makes you feel like you are in Ireland.

Fr. Papa celebrated mass and then we all went out to the church grounds to eat, talk and listen to live Irish music provided by Joe Mullin. We were very lucky that it was such a nice day,

not too hot or sticky.

GUINNEGGU

We are currently selling Boscov's Friends Helping Friends coupons as a fundraiser and waiting on a family assignment from Domestic Violence of Chester County to purchase Christmas gifts.

Ireland Fast Fact!

What is Ireland's top exports???

Surprisingly, it is not Guinness ~ but, Pharmaceuticals and organic chemicals Ireland's pharmaceutical industry started in 1959, when Leo Laboratories purchased an old tobacco factory in South Dublin.

It will be a night to be remebered in the books!

Our Division is looking forward to our 17th golf outing coming this October. It's a exciting time with nominations and elections coming upon us as well. We we have a lot to look forward to with Thanksgiving food baskets, toy collection and whatever else is on our calander.

We look forward to sharing all of it with you in the near future.

Ireland Fast Fact!

Ireland's Samhain inspired Halloween.

Samhain is a Gaelic festival marking the end of the harvest season and the beginning of the winter. The Celebration begins on the evening of October 31st and lasts until the evening of November 1st. This is celebrated on these half days because it marks the halfway between the fall equinox and the winter solstice, and lasts an exact day according to the Gaelic traditions—a day begins and ends at sunset.

Division #11 ~ Oakland ~ Pittsburgh ~ Allegheny County

Our Little Ladies of the Bucks County Division 1 LAOH is run by Vice President, Jenn Crawford. We are so proud our young Ladies interest in their heritage and helping those in need.

It is never too young to start teaching them! In June, they made pipe cleaner rosaries. In addition, they all contributed towards the Diaper Drive for Catholic Social Services!

In July, they learned how to make butter in honor of Saint Brigid.
In August, the Little Ladies in honor the LAOH members.

in August, the Little Ladies joined the LAOH members for the Our Lady of Knock Mass.

For the month of October, they are collecting for the local High School's food pantry and learning about the Irish folk story of the Jack O'Lantern.

Hews & Updates from the State Board In this edition, the State Board was asked to reflect upon the Mational Convention.

Chaplain ~ Sister Lisa Breslin SSJ.

Around us we witness the changing of the seasons from the heat and shades of green to the quiet turning of colors of the leaves to the radiant array of color. In its beauty, fall offers us a gentle transition to the frost of winter. During autumn we are reminded of the final preparations prior to the cold months of winter. As birds prepare to migrate south, squirrels prepare their winter hideouts with nuts, and leaves dance as they fall gracefully, we are invited to enjoy the beauty of the season and not rush in anticipation of the hibernation of winter. This time is one of completion, from the harvest that is picked from the womb of the earth to the dance of falling leaves that rot and become compost.

Let us take time to reflect on the season of autumn. Take some time to walk on this brisk autumn day, listen to God speaking through the crushing of the leaves under your feet, migrating birds or the music of the wind. ~ Joyce Rupp

Every autumn I am struck by the colors of this season and by the irony implicit in it.

The vibrant colors ARE GENERATED BY THE DYING PROCESS. How can dying be so

beautiful? The beauty is not in the dying but in the letting go. What is .God asking you to let go of? Expectations, preconceived notions, hopes, and dreams never realized,old hurts and losses? Anger? Take some time and let this colorful season speak to your heart!

In our motto, Sister Lisa Breslin, SSJ State Chaplain

It was an exciting and busy time at the National Convention in July. It was great seeing everyone and I wish I wasn't so busy working that I could have had more fellowship with those able to attend. I hope everyone had an enjoyable summer and is now reinnorgatred to return to the work of the Order.

The Claddagh Degree team exemplified degrees at the Convention to approximately 100 of our LAOH Sisters. It was a bittersweet ceremony as two of the degree teams founding members, participated in their last cerementony, Martina Allison and Maggie Cloonan. Martina and Maggie, you made my experience as a degree team member so wonderful and I will truly miss you!

The Tara Degree team is busy getting ready to exemplify degrees in November ---what a wonderful opportunity for new and existing members to participate in deepening their understanding of our Order and Heritage. I encourage you to sign-up to become a degree member or participate as an observer.

Bucks County Division 1 has been busy with their Little Ladies of LAOH group learning and living our motto. These young future members have been doing charitable activities and learning Irish history with a sprinkle of fun mixed in! If you have a young daughter or granddaughter, please reach out to Brianna Curran or Jean Bradeis-Crawford at Bucks 1 for more information.

The Allegheny County Juniors were busy helping at the National Convention this year and are planning this activity schedule as well. In November, they will be accompanying LAOH 23 to work at a local food pantry. If you have a daughter or granddaughter in the Allegheny County area, please reach out if you are interested in joining.

Lastly, I can not thank you enough for your support as I sought the Office of National Catholic Action. Your support, well wishes and voting allowed me to continue to serve the Order but now on a different level.

Hoping to see you over the next few months and next July in Johnstown as we gather for our State Convention. If there is anything I can do to help you, please reach out!

In Friendship, Unity and Christian Charity, Kathleen

Greetings Sisters,

I always love the beginning of Autumn when the days are still warm, and there is just a slight chill in the night air. Can you believe that summer and the Convention are behind us, and the new school year brings endless possibilities – even for those who have no one actually going back to school. So now is the time that we all must jump into those put-off projects, so they will be done before the holidays sneak up on us again.

And it is usually the time of year I try to think of new ideas for the LAOH. It will be no time before the National Secretary sends me the membership reports that I will, in turn, send to each Division and County Board. I know they are a bit of a nuisance, but it is essential that we have accurate names and e-mails to communicate effectively. Your membership report determines the amount of assessments due from your Division to the State and National Boards. Once the reports go out, I will set up a couple of Zoom meeting opportunities similar to a teacher's office hours – you only need to join in if you have any questions or concerns.

Helpful suggestions would also be welcome.

I look forward to working with you Ladies and wish you all a blessed and fruitful Fall season. ~Carolyn

I wanted to thank everyone that attended the National Convention in Pittsburgh.

It was great to see my Hibernian Sisters & Brothers from across the Commonwealth and the country!

All the planning and hard work over the past two years was worth it when I saw the smiles and heard the laughter!

The Annual Financial Reports will be coming your way by the end of October. Iwill be scheduling a Zoom call for all treasurers once they've been distributed. Whether this is your first time completing the report, or you're a veteran, please attend the meeting. We'll be talking about any changes in the form as well as sharing best practices. If you haven't received an email from me lately, please contact me at pfpalaoh@gmail.com with a good email address. You won't want to miss out on this!

On, Tuesday, August 23, 2022, I provided all PA Irish Historians, State Board, Division Presidents, and Past Presidents with the 2022-2023 Irish History Contest information for distribution.

The deadline for receiving student submissions is November 15, 2022, and must be submitted to the local LAOH Division. Pease review and follow the attached calendar for this Irish History Contest so that your submission deadlines are not missed.

On August 20th, I represented our LAOH, JFK Division #2, Pottsville, when I attended, with Lehigh Valley Division, at their Our Lady of Knock Mass at St. Joseph the Worker Parish in Orefield. What I received from my attendance of our AOH/LAOH National Convention, Pittsburgh,

in July, was the camaraderie among our Brothers and Sisters. I, again, congratulate all newly elected national officers, beginning with Marilyn Madigan, President, and Mary Ann Lubinsky, Vice-President. In closing, let us also not forget the following:

All Saints Day, Tuesday, November 1, 2022 - the day created by Pope Bonaface IV in May, 609 (610) A.D., to celebrate the Virgin Mary and all martyrs. Pope Gregory III moved this date to November 1 to exalt the apostles, saints, martyrs and all the just made perfect who are at rest throughout the world. By the way, Happy All Hallow's Eve, October 31, a/k/a "Happy Halloween" All Souls Day, Wednesday, November 2 - the day for commemoration of all the baptized, faithfully departed. Missions & Charities ~ Sister Kathleen Smith RSM.

The Ceremonies, Liturgies, Music, and Breakout sessions were the most inspirational and educational takeaways from the Convention. I hope all future Conventions have breakout Sessions.

Two sessions, in particular, were eve-openers: Immigration and Political Education. Immigration confirmed for me that our USA system is beyond "broken."

It is most embarrassing. I learned of and met an Irishman who, in recent months, after living and working here for years, lost his Social Security benefits, including health care that he really relied on, and his Driver's License. At the same time, he received permission from a different Immigration Office to travel to Ireland. He would be homeless and destitute if it were not for the Hibernians who actively advocated for him in deep friendship, unity, and Christian charity.

The Political Education breakout session excited me and affirmed my interest in educating our members on the issues that plague our country at this time. At the breakout session, we prepared some resolutions that were confirmed by all voting members at the General Session of the Convention. I was ever so interested in joining them in this aspect of service for our organization and members. I have signed up to

assist and will be able to share more as the months unfold.

I was very grateful for the location, as we all could drive to Pittsburgh.

The view from my hotel window was postcard perfect.

I am forever grateful for the social times too, as I had some excellent

Catholic Action ~ Brianna Curran

As the Pennsylvania State Catholic Action Officer, I thought it would be nice to attend as many Our Lady of Knock Masses as I could for 2022!

I would like to sincerely express my gratitude to the amazing Ladies of Montgomery County, Berks County Division One & Division Two, Bucks County Division One, and Hamilton County for your hospitality!

I feel very fortunate to have made so many wonderful friends over the years through Conventions that made visiting these Divisions possible!

My goal as I continue to serve as a state officer is to visit as many Divisions as I can, whether for Hibernian masses, festivals, fundraisers, or fun events!!

I am so grateful to call each of you my sister!

Additionally, I would like to thank the Pittsburgh Convention Committee for their hard work, time, and dedication in hosting the 2022 National Convention!

It was so lovely seeing so many Pennsylvania sisters. We took up about one-third of the room, and you could absolutely feel our presence!!

For those of you who have never attended a National Convention, I would highly recommend it!! There is an energy level that I have only experienced during a National Convention! During our business sessions and in the hospitality rooms, we had lively and passionate conversations about our organization as a whole, the great work happening at the division level, and what more we can do to help!!

One message resounding through the Convention is that "The National Board works for you." They thanked individuals, states, and Divisions for their hard work, dedication, and Hibernian passion for helping those in need. At the Division level, we truly make a difference in our communities and state! I am incredibly proud to serve as a state officer of Pennsylvania!

On Tuesday, July 12th, I joined a group of sisters who volunteered at The Red Door.

We sorted donations and put together items requested from individuals in need.

The Red Door serves three meals daily, five days a week, including weekend lunch. Lunches include a snack bag, juice, water, and a sandwich. Dinner is either a hot meal made from donations, a hot meal that others bring from home, or they do lunch Round two for dinner!

They also provide clothing, blankets, tents, personal hygiene products, etc., to those in need They have a women's day shelter where they provide safety, love, and protection as well as the necessities to their women. The most recent addition to the women's center has been providing laundry and showers! Their work is impacting so many individuals in need. It was a perfect selection for our LAOH Spirit of St. Brigid Charity Project. I look forward to the next event where we can come together to help another worthy cause!

Lastly, I hope you will join me in saying "THANK YOU!" to Kerry Bradeis from Bucks County, Division One! Kerry volunteers every Tuesday night and leads our weekly prayer group.

We are thrilled that the week of October 11th, marked our second full year of saying the Rosary as a group!! We have had many intentions for LAOH Sisters and AOH Brothers, tragedies, natural disasters, and war, and we also pray for successful doctors' appointments, pregnancies, job applications, and more! We have welcomed women from Florida, Massachusetts, D.C., Ohio, New York, Missouri, and all over Pennsylvania!! We welcome all to join us on Tuesdays at 8 pm EST.

We here in the Commonwealth are so genuinely blessed to have so many active Past Presidents, so we reserve this section of the Newsletter for them to add some of their knowledge, wisdom, and inspiration.

Colleen Bowers

To All My LAOH Sisters,

I am proud that our State Board supported me by taking the lead as a women's fraternal organization to submit a Resolution, which passed at OUR National convention.

"Therefore, be it resolved that We, the Ladies Ancient Order of Hibernians, Inc., call for the immediate end of all domestic violence, abuse; resolve to pray for all these victims, advocate for domestic violence awareness inclusive of their rights; support local shelters for all victims of domestic violence; provide support for our Sisters that find themselves in these relationships; and assist all domestic violence victims to the best of our abilities."

In addition, our Brother Hibernians have supported a request from me. I am very proud of our Brother Hibernians of PA Allegheny County AOH, who took the lead by taking the Men's Challenge in support and in memory of their Sister Hibernian Melissa Bowers, my daughter, who was murdered by

Domestic Violence. This movement, The Men's Challenge Pledge, supports Domestic Violence Awareness.

From there, the PA AOH State Board met for their state board meeting on May 14, 2022. All in attendance, including National AOH President Danny O'Connell, took the Men's Challenge Pledge.

In addition, at the National Convention, the Brothers passed a Resolution that takes a stand against Domestic Violence.

You are the start of my movement "YOU ARE NOT ALONE"

I could not be prouder of my Brother Hibernians who took the Pledge at the National Convention in Pittsburgh. I hope all AOH brother Hibernians throughout the country will take the Pledge. It felt very fitting that the place our Brother Hibernians from across the country took their Pledge was here in Pittsburgh, where my Melissa was murdered.

The Center for Victims "Men's Challenge" asks for all men to take the Pledge to speak up and not be silent when aware of Domestic Violence incidents. You could be part of the solution to end this horrendous crime against humanity.

I received this message from one of my PA Allegheny County Brothers Hibernian, Dan Divinney, and could not have described my feelings any better:

"Men have a very important role to play in eradicating domestic violence. I was taught by my father and have passed on to my male children that "it is not much of a man that makes a woman cry." Men and women are responsible for teaching their children that violence has no place in the

home or anywhere else. In particular, men are responsible for teaching their male children how to treat women with dignity and respect. I have always felt that the best way to teach this is through your actions. If you do not back up what you say with your actions, your words become meaningless."

We all have a role, not just men. Therefore, I pray that everyone takes this Pledge back to their states and continue to have their membership take a stand and take the Pledge.

The Pledge was created in Pittsburgh with the Center of Victims who works with all victims of violence. I know the focus of this issue is women, but this to happen to men too. Follow this link to hear more details about the Pledge and if you know any Brother Hibernian, organization, or business that can help to promote the Pledge online. https://www.centerforvictims.org/make-a-difference-today/men-challenge/. I just ask that you reference my beautiful daughter in memory of Melissa Bowers.

The Pledge:

I pledge not to participate in, approve of, or remain silent about violence. I pledge to be an active bystander who will speak out about violence against women and girls. I will encourage all men to work together with Center for Victims and use our collective voices and resources to end all forms of violence

I thank all of my Brothers and Sisters in this campaign "YOU ARE NOT ALONE."
I am especially PROUD & Humble of the support in PA taking the lead!

Bonnie Collins

Very, Very Past President

Since 2008, my primary focus has been the Mentoring Program. Currently I serve as mentor of five Divisions: Berks Divisions 1 and 2, Carbon Division 1, Chester Division 1, and Lehigh Division 1. My job is not supervisory, but rather supportive. My goal is to keep them well informed about activities and programs throughout the state and country. During Covid, many Divisions found it difficult to meet. In September, I reached out to my Divisions in hopes of receiving updates of their division activities. Since that time, I have heard from of these Divisions. I am confident that Berks 1, Chester 1, and Lehigh 1 are doing well, and look forward to hearing from the other two.

I was most excited to attend the National Convention in Pittsburgh, but about a week before I came down with Vertigo!! I was not able to attend the Convention and was most disappointed until my roommate and several friends called me when then returned to inform me they had Covid!! God saved me again!

Catching up with other Committees: Freedom for All Ireland ~ Kathleen Varady

I loved how Pittsburgh - Alleghany County ran the National Convention this year.

The shortness of the business sessions was a real plus, and the trip planned to St. Patrick's was wonderful. I saw so much Sisterhood that came together at this convention.

There are times when the enormity of a National Convention takes away the bonds we all have as Sisters of the LAOH, but that was not the case this past July. The sessions were terrific, and the National Board did a great job of keeping everything flowing and in order. Of course, I was very interested in the FFAI aspect of the convention and was so happy to hear that they were able to travel to Ireland to meet with our recipients to distribute our checks. The people's gratitude in Ireland

should inspire everyone to contribute, no matter how small to our FFAI Christmas Appeal, which is collected all year and not just at Christmas.

Just a reminder as we live in a political climate, The LAOH is a 501 (C) 3 and the IRS watches our activities closely. The LAOH members cannot write letters to our Representatives on our letterhead, mention in the letter they are a member of the LAOH or sign the letter as being a LAOH member. Our members are welcome to send letters to their Representatives expressing their concerns as an Irish American citizen. Encourage them to keep supporting the Good Friday Agreement and let Prime Minister Boris Johnson know that America does not support the UK leaving the EU without a deal or without the "backstop". If Mr. Johnson leaves the EU without a deal it could mean chaos in Ireland and could very well mean a hard border between N. and S. Ireland.

Publicity ~ Maura O'Donnell-Roszyk

Can you believe we are already in October?

It feels like just a short time ago, many of us were together in Pittsburgh for an extraordinarily well-organized National Convention. Thank you to everyone that worked on and at the Convention. It was terrific.

I really enjoyed the breakout sessions, just like Sister Kathleen.

I, of course, attended everything related to Publicity. Still, I also enjoyed a variety of other sessions to see how I could help expand the doings of my Division and incorporate other areas into publicity moments. My key Publicity takeaway is that everyone must make sure they have permission from everyone photographed and published, specifically any children. My own Division checks with all members every year at Dues time to ensure they are still publishable.

Another takeaway includes utilizing a general email, which can help prevent your personal email from being impacted by bad actors. I took this to heart, and now you can reach me at palaohmor@gmail.com. Lastly, I would like for all County and Divisions to inform me if they have a website and its address, do you have a Facebook page and its address, and last do you have an Instagram page and its address. I intend on compiling this information and making it available on our State website so that we can all find acces to each other. Cheers!

Happy Fall Ladies! Maura
