Vatican City, Feb 25, 2023
Pope Francis said a spontaneous prayer for peace during a Vatican event for the first anniversary of Russia's full-scale invasion of Ukraine.

"Holy Father, who art in heaven, look at our miseries, look at our wounds, look our pain. Look also at our selfishness, our petty interests, and the capacity we have to destroy ourselves," he prayed. "Heal us. Heal our hearts, heal our minds, heal our eyes that they may see the beauty that you have made and not destroy it in selfishness. Sow in us the seed of peace. Amen."
