

**Project St. Patrick
Ancient Order of Hibernians in America,
Inc.
Ladies Ancient Order of Hibernians, Inc.**

September 5, 2023

Dear Vocation Directors:

As the oldest Irish Catholic lay organizations in the United States and followers of St. Patrick, we have created Project St. Patrick as a Catholic Action Program to show our continued loyalty and support of the Church and Her Shepherds. The Irish have always been staunch supporters of the Catholic faith, her priests, brothers, sisters, and deacons. We ask you to please share the enclosed application with your students in need of a grant. Your assistance in distributing this information is greatly appreciated. **The applications must be accompanied with a letter of recommendation from your office for each applicant. Completed application with recommendation letter should be emailed to both Project St. Patrick Chairs (email address listed below) by October 31, 2023.**

Please visit our web sites to view and complete the fillable 2023 Project St. Patrick Grant Application. The grant is sponsored by the Ancient Order of Hibernians, Inc. www.AOH.com (AOH) and the Ladies Ancient Order of Hibernians, Inc. www.LadiesAOH.com (LAOH) and is offered to assist a limited number of seminarians and religious studying to serve our Church in the United States of America.

This grant was instituted in hopes of helping to further vocations. We truly see the need to send more workers into the vineyard. May God continue to bless all who have accepted Our Lord's call. For further information, please contact the committee chairpersons.

In Friendship, Unity, and Christian Charity,
