Sisters,

It is hard to believe that summer is almost over, and school will be back in session the next time we meet. This past month I had the pleasure to attend Zoom meetings held by the National Board and Appointees. I hope that some of you were able to attend. These meetings were held in conjunction with the upcoming National Convention that will be held in Orlando this August. These committee meeting minutes, and National Officers and Appointee reports will be available in the coming weeks. I will send them via email as soon as I receive them. Please take the time to read and review these to see what is going on across all levels of the Order. As I mentioned the National Convention will be held in Orlando on August 7th -11th. The division has four members who will be in attendance representing both the division and the state. I will be one of those in attendance representing the National Board. We will be coming back with a wealth of knowledge to share with you. I am looking forward to the second half of 2024 and wish you all the best.

Yours In Friendship, Unity, and Christian Charity,
Natalie
