Dear Sisters,

It is truly an honor and a privilege to have been appointed to serve as your National Webmaster for the next two years. Thank you to President Lubinsky for this opportunity.

I am a proud member of Division 7, Our Lady of Knock, in East Islip, NY. I had a short tenure in the Junior Girls in the early 2000s, came back to join the LAOH in 2020, made my Degree at the first opportunity in 2021, and quickly became involved on the County and Division levels. Currently, I serve as the Suffolk County Catholic Action Officer, and serve the elected office of Financial Secretary and appointed office of Publicity/Webmaster on a Division level.

I am extremely excited to spend the next two years collaborating and working with you all to continue to bring the LAOH up to speed with technology and social media. A few items that I am hoping to focus on include looking into an online application, setting up fillable social media graphics, making the website more user friendly and accessible, and providing more educational resources. I am also hoping to partner with our National Board Officers and Appointees to continue to offer webinars on content our members are interested in.

Please keep an eye on the Webmaster's page on our website, as I will be updating it often with new resources. In addition, please continue to send me your newsletters, Division/County/State contact and social media info, and obituaries so that I can continue to post them to the website for you.

My ultimate goal for this term is to be a resource to all our members so that we can grow together! Please do not hesitate to reach out to me with any questions, comments, or concerns. I am just a text, email, or Zoom call away. I am happy to help in any way that I can and if I don't have the answer, I am more than willing to track one down for you.

Yours in Friendship, Unity, and Christian Charity,

*Maggie Brogan*
